

We are in receipt of a letter from John Wesley Donaldson, Glasgow's crack amateur ball pitcher, formerly with the Hannaca Blues, but now traveling with Brown's Tennessee Minstrels, and still playing good ball. John writes that in a game played at Novinger, Mo., last Saturday the Brown's team won by a score of 3 to 0. The opposing team was made up of Kirksville leaguers, a white team. He let his opponents down with one scratch hit, and struck out the first eleven men, and in all struck out nineteen. John is a star ball player and will be heard from on his tour which includes North Missouri, Iowa, Minnesota and South Dakota.
