

RATS TAKE THE FIRST GAME

DEFEAT K. C'S YESTERDAY BY SCORE OF NINE TO THREE

THE K. C'S PLAY WELL

Playing against a professional team of ball players, the K. C. team met defeat yesterday by a score of 9 to 3, at the K. C. park.

Although the K. C. team at no time during the game had any chance of winning, they put up a good game of ball and fought hard to the last inning. The Rats play baseball every day and that they do nothing else, while the members of the K. C. team are all working and get a chance to practice together very seldom.

The Rats, however, play an excellent game of ball and in yesterday's game proved that they are a good, clean bunch of players.

The K. C. team put in three substitutes during the game, in the second Dessinger, who was playing second, went to catch, and Bostick of Thompson-Kehrer went second. In the seventh, Colwell went in the box in Porter's place, and Cain went in right field in place of Stiltz.

The K. C. team made their first score in the last of the third when with two outs, Meloy got first on an error, stole second and came home on Reardon's single.

In the fifth inning with two down, Reardon made another hit, Dessinger and Porter both got singles, and Reardon scored.

The third score for the K. C. team was made in the last of the seventh, when Dessinger got first and second on an error, Bostick singled and Dessinger came home.
