

Friday we took the Rats on for another battle at Sheffield. Clear Lake made a few errors that cost a run or two, but they probably would have won anyhow as Donaldson was in fine form and any team that beats him knows that there has been a ball game. The final score was: Rats 4, Clear Lake 2.

Saturday the same teams played again at Sheffield and a big crowd saw a real game of base ball. Each team played all the ball they knew. Morton was on the mound for the colored boys and Parrish worked for Clear Lake. The teams run neck and neck, each scoring a run in the second. In the ninth Clear Lake got Elder around with the winning run. The score read 2 to 1 in favor of Clear Lake.

Game Info: Games played August 18 & 19, 1911. Sheffield, IA
