By Larry Doyle.

In another exhibition of the national pastime the Teddies met defeat at the hands of the dusky Tennessee Rats. The Teddies played like a bunch of kids on a corner lot and they presented the Rats with their seven runs and the game. Howard started the game for the Teddies and he looked like anything but a pitcher yesterday. Although he was not hit hard his own miserable fielding and some of the same kind by the Teddies netted the Rats five runs in the inning and one-third Howard walked. Canine was then rushed onto the firing line. With two men on Donnelson hit one of Canine's shorsts, scoring two. Canine made Wilson shy out to Davis and whipped Goodell. From here on the big fellow had the Rats at his mercy. They could not come close to scoring off him. The Teddies scored their two runs in the sixth when Davis got hit and he went to third on Palmer's hit. Palmer took second on the throw in and they both scored when Little threw wild on Storaasli's easy bounder, but that was all the Teddies could get. The tabulated score:
