

Thursday the fast ball team called "All Nations" team of base ball artists were on for a game with the Tekamah nine. Those who were expecting a good game were not disappointed. The business houses closed at three o'clock and everyone went to see the game. It was business from the start and when it had finished everyone was satisfied they had witnessed a good game though the score was 3 to 2 against the home team. Penry was in the box and Driggs behind the bat and both put up a nice game. "Old man Pipher" was at his old place at short and he showed up in better trim than ever. The game by innings was as follows: 1st. The visitors went to bat. Penry, the first man up, fanned the air three times in a vain attempt to hit the ball and the crowd was pleased for they felt that Penry had his right clothes on him. Waburn, next up went out on a fly to Houston in left field. Crow then gallily came to the plate to bat and he tried to take generous chunks of atmosphere and kept Driggs' face cool by fanning out. No score. Tekamah at bat. Jack fanned out Bliss followed him in the same way of action and Driggs went out at first on a grounder to short. No score. 2nd. Reeves made a safe hit to left. Blatner hit to Jack at third being thrown out at first, and Reeves reaching second. Unfortunately for Reeves he died at second for Penry had the next two men up trying to locate the ball as it passed over the plate. Both fanned and the side was out, no score. For Tekamah. Pipher went out on a fly ball to the second baseman. Altschuler went out at first on an infield hit to the pitcher. McKinnis sought the ball and found it not. Struck out the scorer said. No score. 3rd. For the visitors it was a brief undertaking. Penry found Dunbar, Means and Carrie all easy marks and each whipped the air three times and were declared out in order. No score. For Tekamah Titus fanned out Houston went out at first on a hit to second baseman. Penry was called out by the umpire because he wouldn't strike at every ball his opponent pitched. No score. 4th. Penry went out on a fly to Houston in left. Waburn hit to short left and Pipher hardly had time to get it to first. Waburn declared safe and the visitors saw visions of a score. Crow the next man up hit a warm one to Pipher and before one could locate what was happening Pipher whipped it to Altschuler at second and Altschuler sent it to first catching both base runner and batsman. No score. For Tekamah. Jack went out at first on a hit to shortstop Bliss went out on a fly to second baseman. Driggs next hit up a good single into right field and was easily at first before the fielder could get his hands on the ball. In his haste he threw to first and an error resulted that Driggs took advantage of and went on to second. Driggs stole off second and in an effort to get him the visitor's pitcher threw wild and Driggs went on to third and by a desperate spurt made home and the first score of the game. The crowd's appreciation of his effort was

shown by the noise they made. Pipher went out at first on a hit to second baseman. 5th. Reeves took his base on four balls, the first man that Penry had given a chance to do a trick like that. Blatner hit to Penry and was thrown out at first. Reeves reaching second. In that case Penry could have executed a neat double but the Tekamah second baseman was backing first and second base was shy a baseman. Donaldson vainly tried to connect with the ball but fanned out. Dunbar went out. Penry to first and Reeves died at second base. No score. For Tekamah. Altschuler fanned McKinnis fanned. An effort was made to catch him at the home plate but it failed and Bliss was safe at first. Driggs flied out to left and Bliss took second on a fielder's poor throw. Pipher went out on a fly to short. Bliss was dead at second and the side was out. Score 2 to 0. 7th. Waburn was out at first on hit to Penry. The hit game was their only winner and Means also worked the deal on Penry and was sent to first after kindly dropping in front of the ball. Carrie hit safely into short left and Means was forced to second. Penry hit to Jack at third; he touched the bag at third forcing out Means and whipped the ball to Pipher at second and caught Carrie. Carrie wasn't as fast on her feet as she was with her tongue. Penry was also too slow to steal second on. Driggs and he was caught a mile from the plate and the side was out. No score. 9th. Waburn hit to Jack and was thrown out at first. Crow fanned and Reeves went out on a fly ball to Pipher. For Tekamah. Bliss hit to third baseman and was thrown out at first. Driggs lined a hot one over third base for a good single. He was given second to a balk by the pitcher. Score 3 to 2 in favor of the visitors. It was a good game and worth the money.
