BROKE EVEN WITH ALL NATION TEAM

Friday afternoon and evening the All Nation baseball team played two games with the Mitchell club, they breaking even on the proposition. In the afternoon there was a fairly good crowd present to see the Mitchell team trim up their opponents by a score of 4 to 0. The damage occurred in the first inning, when with the bases full, Ed. Melter got a good crack at the ball for three bases scoring three runs. After that one more run was all that could be done on Donaldson's delivery. Melter and Freeze put up a fine game in the points for Mitchell. Carrie Nation, the lady who played first base, did her work in good style, catching a line fly and receiving the throws from the infield with accurateness.

In the evening the grounds were lighted with electricity, and there was a big crowd out to see the game. The locals were dazed by the brilliancy and with their being unacquainted with night baseball they were unable to cope with the All Nations and were defeated by a score of 10 to 0.
