The game between the local nine and the All. Nation and Carrie team resulted in a score of 14 to 5 in favor of the Nations. Up to the seventh inning the local nine held visitors 3 to 7, but the All Nations added 2 in the eighth and 5 in the last frame. The boys were out-classed, of course the All Nations are a salaried team that make the game a profession, are playing every and have some players in game that belong in the big leagues. Carrie played a good game at first base.
