

The All Nation team, traveling in their own private car, winners of 28 out of 32 games played, defeated the locals by the score of 4 to 7 in the game Monday afternoon. It was the best exhibition of the national sport the local fans have witnessed this season. The All Nations are among the best teams on the road and the locals are entitled to much credit for the close score. The visitors feature a lady, Carrie Nation, at the first sack, and she plays the position with ease and accuracy.

The evening game with the All Nations was called off in the seventh inning on account of rain. The score at that time was 3 to 6 in favor of the visitors.

Game played June 10, 1911. Osakis, MN
