BEAT BY ALL NATIONS

The ball game on Saturday beween the 'All Nations' team reind the locals resulted in defeat it for the locals by a score of 4 to 0 . but that was pretty good for our very loys when we consider that the latesitors are all experts that play it league teams and do nothing the see than play ball.

The game was interupted by a larger was interupted by a larger was interupted by a larger was shower after a few innings and this made the ground slippery, otherwise the game might have been still closer.

Carrie Nation, the lady first beseman, was certainly a good bill player and rooter.

In the evening they played a game of indoor baseball. This was a new thing here and was played under different rules than regular baseball. Emerson who pitched both games proved himself an expert at bluffing in this latter game to the great amusement of the spectators. The score was 12 to 4 in favor of the visitors and that must be considered remarkably good for our boys since only two or three of them had ever seen or played in the game before.

Games played June 29, 1912. Bagley, MN
