

ALL NATIONS GOT GAME

**But Locals Gave Them Good
Run for Long End
of Score.**

Nearly four hundred fans witnessed the All Nations-Red Lake Falls base ball game Tuesday afternoon and they got their money's worth, for it was a good exhibition.

Garceau threw an excellent game, but was given ragged support at times. Had it not been for these lapses into "slow speed," it would have been anybody's game every minute of the time.

The local boys batted well and the four scores may be credited to the good work with the stick.

Carrie Nation, the girl who covered the first station for the visitors, played in big league style.

The visitors got the game by a score of 8 to 4. The All Nations are all stars and the team that defeats them must play some ball.

Game played July 2, 1912. Red Lake Falls, MN
