

One of the largest crowds of the season saw the All Nation team, with "Lefty John" Donaldson, their crack colored twirler, in the box, defeat the locals last Thursday afternoon by a score of 7 to 0. Donaldson proved to be the greatest pitcher ever seen in this city, and also proved that it is only a question of color that keeps him out of the big leagues. Two of the seven runs, scored by the visitors were earned, the other five coming as the direct result of the local's errors. Joe Holmberg pitched a fine game, and with any kind of support would have kept the score down. Obbie Nordstrom in left field pulled off one of the most sensational catches ever seen when he grabbed a long fly from Dunbar's bat, while he was falling over a tree, out near the left field fence. Seal, at short made a couple of sensational stops and throws. Dunbar, the visitor's first baseman robbed McGrew of a nice hit, by a sensational one handed stab of his line drive over the sack. Mendez, the visitor's short stop also put up a swell game. The score:—
