

All Nations Win 9 to 0

The local nine lost to the All Nation team by a score of 9 to nit, and at that it was a good game as the boys played almost errorless ball. Donaldson, the big smoke in the pitching line for the visitors pitched the first three innings and struck out six men. Both Murphy and Wolf got a safe hit off the lad and also off Blatner who went in the box in the fourth inning and they were the only two to get a hit, each getting two hits at four times up. The visitors scored four times in the first inning on a man hit by the ball, a fielders choice, a single, an error at short and a second single, but were held scoreless the next six innings, getting two scores in the eighth on two singles and a double and three in the last on a two-sacker,

good game.

The next three games for the home team will be with Holloway, next Sunday over there, the following here and the last over there.

Morris and Benson will alternate the same way, Morris going to Benson next Sunday. Benson lost their first game to Morris last Sunday.

Game played June 16, 1913. Hancock, MN
