

## **Pekin Colts Lose to "All Nations" Tuesday.**

**Score 4 to 7.**

On Tuesday the "Colts" backed up against the "All Nations" travelling troupe of Ball tossers, and while the "All Nations" proved to be too strong for the local aggregation, still they put up a snappy game and showed they could not be trifled with. The game was interesting throughout and kept the fans on edge all the time from start to finish. The local team had two men on bases with only one out in the last of the 9th inning, when Louis Walquist came to bat and pounded out a long hit to right field which, with any ordinary team would have been good for a two base hit, but the little Jap was a fleet runner and not only caught the fly but made a perfect throw to home plate and beat out Christensen who attempted to come home from third after the catch. Christensen had two more strikeouts than Seymout, the Indian pitcher for the "All Nations" and the Indian also was hit more freely than Christensen but perfect support saved him from defeat.

The score was 4 to 7 in favor of the "All Nations."

Games played June 24, 1913. Pekin, ND
