

TAKES ONE FROM THE ALL-NATIONS

Brinsmade Loses One and Wins
One From the Champions.

Other Diamond Notes.

The ball game between the All-Nations and the locals on Tuesday proved to be just as good a game as has ever been pulled off on the local grounds. In the afternoon game the locals succeeded in getting one man across home plate, while the All-Nations were lucky to get two safe ones home. Our boys put up the usual stiff game against the visitors who had no snap in carrying off the honors. Farrell held the mound for the locals.

The evening game was no exception and proved that the Brinsmade team has the stuff and is one among the few teams that has been able to beat the All-Nations this year. In this game the locals scored a shut-out—4 to 0—on the visitors. Windle for the locals pitched a perfect game, and the visitors had no chance at any time to land safe at home—only twice did the dasky Cuban manage to reach third, but no further.

Both games were of the national variety and as usual the Brinsmade boys held up their reputation to the highest point.

Games played July 29, 1913. Brinsmade, ND
