

The Windom team made a pretty good showing with the famous All-Nations team last Thursday afternoon. This is a team of top notchers, and on the team are three negro players who are among the best in the country. The pitcher, John Donaldson, can do with a batter about as he pleases, and several times after throwing a batsman three balls he would put three strikes over the plate, showing that he had all the control necessary. The fleet footed center fielder could probably run a hundred yards in record breaking time, and the way he ran bases was a caution. The entire visiting team were right on the job and while one dislikes to be beaten by a colored pitcher, yet it is no disgrace to be beaten by such a team as the All-Nations. For the Windom boys played a game perhaps a little slower than is their natural wont, yet when one stops to consider that outside of the first inning the score board showed a blank, it will be seen that the local boys put up some game. Schaub was on the mound for the locals and he put over a slow ball that was a puzzler to the batsman of the visiting team. And when it come to hitting the ball he was right there batting out a three bagger which should have won a score for our team. Twice Windom had an opportunity to score but could not make it. The score of 3 to 0 does not indicate the real game as the visitors made their scores in the first inning on a combination of circumstances, and they were not earned. The team deserves credit for the game they put up against such a strong aggregation as the one here Thursday.

Game played August 14, 1913. Windom, MN
