

The last contest before disbanding in which the Jasper ball team engaged took place Monday afternoon when the fast All Nations team were here for a game. Although the All Nations is one of the fastest ball teams our boys have met this season we made a very creditable showing against them, and but for a few evidences of base ball luck would have come near capturing the game. As it was it went to the All Nations by a score of 8 to 4.

The game opened with Needham of Sioux Falls in the box for Jasper, and for four innings held the All Nations to one hit and one run, but in the 5th they got next to his delivery and secured 5 runs. Handberg then went in and finished the game. During the last four innings he allowed but four hits and two runs. The lead already gained was too great to overcome. Dunbat, who did the pitching for the Nations, threw a good game, but secured but one strike out against our boys, who touched his delivery for a total of 11 hits. Needham secured three strike outs and Handberg four.

	H	R	E
Jasper	11	4	3
All Nations	7	8	4

The All Nations are a fast playing bunch, but we'll bet they have not been up against many heavier batting teams this season than they found at Jasper.

Game played August 18, 1913. Jasper, MN
