

Last Friday was close to an ideal day for base ball and a large crowd, both from this city and neighboring cities assembled at at the fair grounds, to witness the game between the local team and the celebrated All Nation traveling organization. The game was an excellent one from start to finish and although the locals played all home men they put up a good snappy, clean game.

In the first nning both sides were retired but in the second the visitors were allowed to cross home for four scores, through a series of bad errors on the part of the locals. Twice during this inning were the bases loaded and each time the batter up succeeded in scoring the third sack man by laying down a nice bunt. The All Nations showed excellent team work in this inning. Again in the fourth, the visitors scored on an error. During all this time the locals were unable to get farther than third base, but in the fifth the first man up hit safe for two bases. A sacrifice advanced him to third, and when Engebretson pounded out a two bagger one score was marked for Slayton. Again in the sixth the locals succeeded in scoring. but from then on until the ninth no scores were made on either side and the ninth inning closed with the score still 5 to 2 in favor of the travelers.

Game played August 22, 1913. Slayton, MN
