

Everyone pronounces the ball game on Saturday with the All Nations as one of the best exhibitions of ball playing pulled off here this season. Jackson, our former slab artist, was on the mound for the All Nations and won his game through the errorless support of the team. He relied almost entirely on his smoke ball and was found often, but Donaldson and Mendes in the outfield, were as active as kangaroos and were always under the ball. Two safe hits were registered and our boys filled the bases a couple of times, but were unable to score.

Claxon, our Indian pitcher served on the mound for Good Thunder and demonstrated that he was some pitcher. In fact he has got about everything known in base ball parlance and surprised the numerous fans that were present. While the visitors found him for three hits and got two scores they earned nothing. A little ragged playing on the part of our players lost them the game, but otherwise this fast bunch of mixed players had little over the locals. The wet condition of the grounds also was more of a disadvantage to the locals than to the visitors.

Game played June 27, 1914. Good Thunder, MN
