

BRIGHAM TEAM WINS ITS FIRST TWILIGHT GAME

Hardware Boys Outslug Ramblers Until Darkness Falls

LEAGUE STANDINGS table with columns W, L, Pct. for Register, Texaco, O. N. G., Kirk-Morrow, Ramblers, Brigham Hdw.

Game Tonight Texaco vs. Kirk-Morrow

Darkness drew the curtain early last night on one of the heaviest slugging affairs of the Twilight League season at the Smelter diamond. The Brigham Hardware nine chalked up its first victory in three starts, and rose from sole possession of the cellar to a four way tie for the position. Jeffers, Brigham pitcher, allowed four runs by the Ramblers, but did not give up a recorded hit.

The game, although it went four and one-half innings actually, was considered only four. At the end of the fourth the Ramblers led 8 to 4. In the first half of the fifth the Ramblers, at bat first, tied the score by driving in four runs. Darkness made playing impossible, and Empire Grubbs was forced to call the game, the score reverting back to the end of the fourth inning.

Brighams Let Loose. The Brighams unleashed all of the pent up batting force that has made them an easy contender in previous games, and fell upon the two Rambler pitchers for a total of eight hits, but the batting was not as costly as some of the Rambler errors. Every Brigham player got on base by error scored, and no less than three reached first in that manner.

Ramblers in Tie. The defeat dropped the Ramblers to a four-way tie with the Gassers, the Brighams and the Kirk-Morrow for third or sixth place, which ever way you look at it.

The loss was the second straight for the Ramblers and for pitcher F. Wright who was downed by the Register team last Monday night.

REDS LACKING SEVERAL PARTS FOR GOOD TEAM

Hitting And Pitching Is Weak; Cubs Win Game, 5-4

(Associated Press) The Cincinnati Reds appear shy a few important parts of a good ball club despite Manager Dan Howley's efforts to build up something like a winner.

Howley made a few more changes yesterday, buying Harvey Hendrick, Brooklyn utility man, to plug the hole at first base. Two Red outfielders, Wally Roettger and Cliff Heathcote, are pounding the ball at a .400 clip but no other player on the team is even near the 300 mark. The return of Edd Roush hasn't worked out and Nick Cullop has not been hitting. Joe Stripp, a 300 hitter last year, has the best mark of the infielders, .268, while Chick Cuccinello, who was expected to do some slugging, is barely above .200.

Cubs Pound Johnson. The Reds' pitching also has been ineffective. Si Johnson did seven good innings against the Cubs yesterday only to weaken and Chicago hammered out five successive hits in the eighth to tie the score at 4-4. The Cubs pushed over another run off Ray Kolp in the eleventh to win, 5-4, for Cincinnati's fifteenth defeat in 17 games.

The league leading St. Louis Cardinals won their seventh game in a raw yesterday, combining good pitching and powerful hitting to beat Pittsburgh 11 to 5. Jess Haines gave the Pirates only seven hits while the Cards got that many in the fourth, putting over five runs and then coming back after a shower to add four more in the fifth.

Browns Beat Cleveland. The St. Louis Browns, by far less successful than their townsmen so far, did about as well yesterday. They pounded four Cleveland pitchers for a total of 17 hits and a 10-to-2 victory. George Blaehner yielded 13 blows but he kept them well scattered.

Victory for Detroit recorded his first win of the year, holding the Chicago White Sox to nine hits as the Tigers won 6 to 1. Detroit collected four hits and as many runs off Al Thomas before he retired the second man in the opening inning.

The eastern clubs of the American league had an open date as they began their first western trip of the year and New York and Boston in the National also were not scheduled. Brooklyn's game at Philadelphia was rained out.

KILLERS SLEEP SOUNDLY AFTER POLICE BATTLE

(Continued from Page One)

as Upper Manhattan never had seen. Every means of escape was cut off—fire escapes, hallways and windows. Police details went to the roof, chopping holes in it. Volleys of shots poured up at them as their axes smashed openings, but no officers were hit.

Carried Two Guns. Crowley stood below, guns blazing from each hand. When he was arrested a pistol was found strapped to his waist another to his ankle. Durnier, 200-pound truckman, fought off the police with one weapon: The Walsh girl stood with them, calling hysterical encouragement.

As police chopped the first hole over the bedroom, the youths retreated to the living room. Another hole was opened over the kitchen. With a volley at the opening, they retreated to the kitchen. When another hole was made, Crowley called out that he would "give up."

They Write Notes. But it was not all shooting that went on in that apartment as police bombarded it and an excited throng watched from behind police lines. The Walsh girl and even Crowley, had time to write notes; they were believed, apparently, that they were to die under the bombardment.

One of the girl's notes stressed the fact that she was born on the thirteenth. District Attorney Edwards of Nassau county, where Policeman Hirsch was killed, expected to ask an indictment against the girl as an accomplice in the killing. Durnier faced arraignment in the Bronx for the Virginia Brannen murder.

Colored House of David Baseball Team Coming

Lee Hester today announced a baseball attraction for next Sunday afternoon at the fair grounds in the colored House of David team. The exhibition of be-whiskered boys will be at 3 p. m. The team begins its Kansas tour at Cottonwood Falls tomorrow, and after playing 14 games will close the campaign at Scott City, May 22.

This is the third season the House of David players have appeared in Kansas. Of the past 36 games played by the club 34 have been victories. John Donaldson, the famous negro pitcher, managed the Davids last year, and will get in action here Sunday.

IOOLA TRACK MEN TO ENTER MEETS

High School To Eureka, College To Parsons Tomorrow

Tomorrow will track day for both the Iola high school and junior college, but less than half a dozen athletes in all will compete for the two schools. Coach Mickey Evans will take three high school entries to Eureka where he will compete in one of the several Kansas regional track meets. Winners of places in the various league meets are likewise eligible to enter the state high school track and field meet to be held at Manhattan, May 15 and 16.

Harry Thompson, winner of the SeKan low hurdles in the new record time of 25.6 seconds, will be the principal high school entry at Eureka tomorrow. Thompson is not expected to have as tough competition as he has had in earlier meets, the Baker Relays carnival and the SeKan league meeting at Pittsburg, last Saturday. Thompson is among three Kansas men who, this year, have been credited with running the lower stakes in less than 26 seconds, and should easily qualify for the state meet. Pierce, Pittsburg negro, and Allison, Wyandotte high school star, are the other two who have made good marks. Fred Driggs, winner of third place in the javelin at the SeKan meet, and Keith Roe, who won fourth in the mile run at the same meet, will be the other two entries.

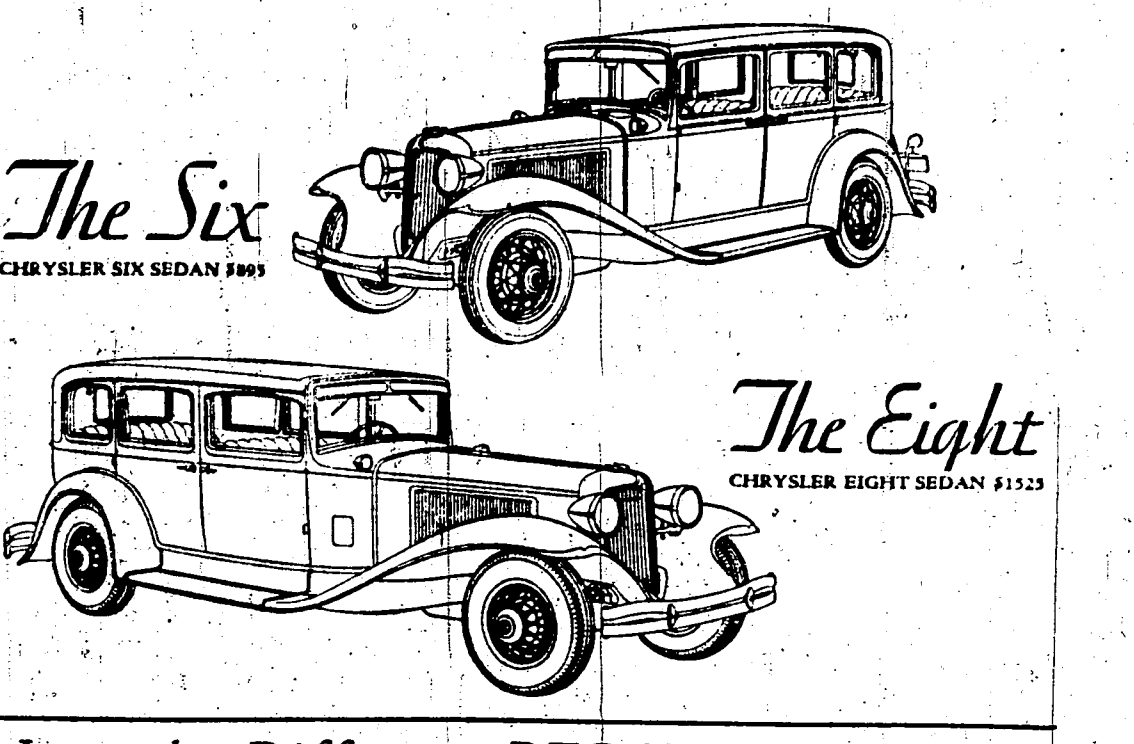

The Iola junior college will be represented at Parsons at the state junior college meet by only two entries, Norton and Funk. Norton is outstanding in weight events and will probably enter the shot put, javelin and discus throws. Funk has for several years been one of the outstanding broad jumpers of this section. Funk did not enter the state meet last year and has not been entered in a previous meet this year. If weather conditions are favorable at least half of the existing state junior college track and field records are expected to fall tomorrow. The Fort Scott junior college star squad should have a big hand in outstripping the records of athletes of previous years.

CHRYSLER

Joyously Different PERFORMANCE

Step into a New Chrysler Six or a fine big Six with a 116-inch wheelbase; a heavy double-drop frame; a 70-horsepower engine and safety bodies of steel. The Chrysler Eight—in addition to its distinguished appearance, low center of gravity and safety bodies of steel construction—is notable for its Multi-Range four-speed transmission with Dual High gears. Two high gears instead of one—high gear for flashing sprints in city driving and another high gear for the open road. Both high gears are of a patented internal-mesh type—which makes it possible for you to shift from one to the other in the twinkling of an eye, at any car speed, and without clashing. And all Chryslers, at all speeds, give you a fine sense of security, a feeling of perfect control—due to the quick, sure action of Chrysler internal hydraulic brakes, always self-equalizing.
