AMATEUR CARD HERE TONIGHT

Thirty "Simon Pures" Pitted Against Each Other at Convention Hall.

For the love of the game and not for gold 30 of the finest amateur boxers in Kansas will collide in 15 bouts at Convention Hall tonight in an all-star amateur boxing show which promises to keep the crowd in an uproar from start to finish.

The curtain will raise promptly at 8 o'clock when a special bout will be staged between the Lemmen twins, Howard and Harold, aged 8. These youngsters who live in Hutchinson, are the same size and look alike. At home they have been in the habit of putting on the gloves and engaging in real slugging feasts. It will be their first appearance before the public.

Five Belt Will Be Awarded Besides the honor which goes with winning, the amateurs will vie for a beautiful silver-buckled belt, very similar to the Gene Tunney heavyweight championship affair.

Four local business firms, the Boren Sporting Goods store, Camera Electric shop, Superior Motor Co., and Si Young Hardware store, are the donors. The belt will be awarded to the most popular fighter, to be decided by the applause of the crowd.

As an added inducement Promoter Tommy Dunn has arranged to give solid gold watch charms to the bout winners.

If the advance ticket sales can be taken as a criterion, tonight's fight will be one of the best-attended shows ever held in Convention Hall. The pastebards have been going fast, indicating the popularity here of amateur fighting. Plenty of good seats will be available when the doors are thrown open tonight, Promoter Dunn advises.

Flyweights Hold Stage Hard fighting is expected to feature every one of the fifteen bouts.

Although interest centers around the Loris Harrell-Peter Barbera flyweight setto, all of the scraps are full of promising action, knockdowns and knockouts. Barbera, a Boston product, is a fast and hard-hitting amateur and he promises to severely test the mettle of the Kansas champion, Harrell.

In the heavyweight melee Arthur Harzmaun, of Stafford, will swap smashes with Orville Harden, pride of Wichita's heavyweights, and this bout is certain to end with one of the boys stretched on the canvas.

Harzmaun vows he'll be standing up when the smoke of battle clears while Harden is a very cap-heavyweight.

Bye From Topkapa Besides these fighters Topkapa will send its ace, Burnell Chapman, Earl Roberts, Tod Morgan, Frankie Rose and Curly Nedeau, all of whom are recognized as fast, clever and hard-hitting amateurs.

In addition to Harrell, Wichita's string of fighters will include Leonard Smoot, sensational 133-pounder, who meets Melvin Ward, of Hutchinson; Clarence Moore, Everett Zonkers and one or two others. Salina will be well represented by Cecil Layman and Harold McLean, who are known throughout the state. Hutchinson's abject sinners including Harrell, Frank Davis, Melvin Ward, Mike Parrish, Buter Elliott, Arthur Hovous, Joe Cain and Roy Hendrickson, will show their stuff. Others will come from Enterprise, Lyons, Nickerson and El Dorado.

Another feature attraction will be two Hutchinson girls, Jo Brown and Louise Harmsay, entertaining the crowd with a fencing exhibition.

Classy Field Competing in Penn Track Carnival Philadelphia, Apr. 26.—(P)—More than 3,000 athletes from 500 colleges and high schools were here today for tests of speed and stamina at the University of Pennsylvania's track and field carnival.

The two-day meet has drawn entries from all sections of the United States and from Hawaii and Canada. Interest today centered chiefly on the decathlon, the high hurdles, the college medley relays and the appearance of Paavo Nurmi, the Phantom Finn, who hoped to set up new records for the two and three-mile events.

Keen competition was forecast in the decathlon, with Tom Chisholm, Oklahoma, and Barney Berlinger, Pennsylvania, the favorites among a dozen other all-around performers. Sol Furth, New York University, loomed as favorite in the 120-yard hurdles in a field carrying 28 other entries. Other timber tappers who have been clocked in fast time are McCoy, Pennsylvania; Knobloch, Pittsburgh; Boyd and Duren, Georgia Tech, and Crooks, Ohio State.

The quarter-mile relay championship revealed a close list of contenders. Nineteen teams were entered.

Clafin Ball Team Joins Russell-Barton Co. League Clafin, Kan., April 26.—Clafin's town baseball team has entered the Russell-Barton county league that is being organized. Eight teams among which are Susank, Dubuque, Russell and Galuta, already are in the league.

Games will be played one each of seven Sundays preceding harvest and seven will be played on Sundays after harvest. A schedule will probably be announced within the near future. Emil Wickert has been chosen manager of the Clafin team and Frank Bloomer is director.

Directors from each team in the league will have charge of the organization's activities.

MAN-MOUNTAIN TO BATTLE TONIGHT

ARTHUR HARZMAUN

Stafford, Kansas, is sending Arthur Harzmaun, 195-pound giant, to represent the town in tonight's all-star amateur boxing exhibition in Convention Hall. Harzmaun has a left hand which lands like a mule kicking and he is out to stop Orville Harden, Wichita's heavyweight hope in the show. A great array of amateur talent has been matched for this show, sponsored by the Elks, promising 45 rounds of furious action. The first bout will get under way promptly at 8:15 o'clock.

RAIN CONTINUES TO HALT GAMES

Only Two Major Fields Dry Enough to Permit Play Yesterday.

By WILLIAM J. CHIPMAN Associated Press Sports Writer. Rain swept all but two major league ballfields from the schedule yesterday, leaving only Chicago and Detroit dry enough for any activity upon the field.

The Browns shaded the White Sox by 3 to 2 and the Tigers mauled the Indians by 5 to 0. The Browns managed to step into a tie for first place with the idle Athletics, but first place at this stage of the season is nothing but a name.

What is more important than the actual position of the Browns is the pitching Sammy Gray exhibited in handcuffing the troops of Lena Blackburner. For the third time this season, the Texas terror made a winning entry in his pitching ledger, with no defeats.

Rush at Lyons. The Browns rushed at Ted Lyons for four hits and three runs in the opening round, and this assault held good all afternoon. John Clancy got one run back for the Sox in the home half of the first by driving the ball out of the lot, and a second run was scored in the fourth, but there the attack halted.

The home forces totaled two more hits off Gray than the Browns collected from Lyons and his relief, George Connally, in an 8 to 6 division, but Sammy never once let any doubt arise regarding his mastery of the situation. He passed two men, and received perfect support. Twenty-five such games as he hurled in the wind-swept reaches of Comiskey Park yesterday night, make the Browns a serious pennant factor.

The contest marked the home opening of the White Sox, but it remained something of a secret. Only 10,000 of the more hardy fans were lured into the cold park.

Indiana Blanked. With opening day festivities successfully behind them, the Detroit Tigers began their work-a-day games by overpowering the Cleveland Indians as Emil Yde pitched excellent ball. The home team stampeaded through the defense of Willis Hudlin for three runs in the first and two more in the fifth, four more than enough to win. Detroit outlit Cleveland by 10 to 8, and the Indian drives were well scattered.

The Cardinals saw their home opening with Cincinnati postponed a second time, and countered with offering the season's first double-header as a Saturday attraction—first, that is, barring the morning and afternoon program always carried out in Boston on Patriots' Day. The other postponements will await the second trip for disposal.

JUNIOR COLLEGES IN TRACK MEET

El Dorado, Arkansas City and Hutchinson to Compete Here Tomorrow.

The first track and field meet of major importance Hutchinson fans have had an opportunity to witness in years is billed for the state fair ground track here tomorrow afternoon at 3:30 o'clock.

Three junior college aggregations, Hutchinson, El Dorado and Arkansas City will vie for honors in a triangular meet. All three institutions boast strong cinder path and field squads this season and the meet promises to be closely contested.

After handling Bethel College of Newton a bad beating last week in a dual meet the Hutchinson collegians, coached by Melvin Blinford, have been stressing the weights and hurdles during the current period. All the local performers are in good condition.

Hot Contest in Sprints. Keen rivalry is expected to develop in the sprints between Plumley, Arkansas City flash, and Ted Mauk, local dash star. In a recent quadrangular meet at Arkansas City Plumley won the 100 yard dash in 10.1 seconds while Mauk has yet to lose the century and furlong dashes so far this season. The outcome of these two races is just about a toss-up.

El Dorado also will send a speed merchant in Harsh, who is no slouch in getting down the cinder paths in the dashes.

Walter Froese, Hutchinson's stellar distance runner, is certain to have competition from Volght, of Arkansas City, who copped both the mile and half mile against runners from Chillico, Tonkawa and El Dorado.

Dick Layne, who smashed scoring records during the latest basketball season, has been heaving the shot nearly 37 feet and high jumping around 5 feet 4 inches.

Howard Tolle, local Liberty Junior high teacher and former Emporia Teachers track man, will be the referee and starter.

Call Off Golf and Tennis. Tennis matches and a golf tournament scheduled to have been held in conjunction with the track meet, have been called off.

Entries for Arkansas City and Hutchinson follow: 100 yard dash—Plumley, Landers, Ark City; Mauk, Mangus, Baker, Hutchinson.

220 yard dash—Plumley, Landers, Ark City; Mauk, Mangus, Clarke, Hutchinson.

SPORT ISLANDS

Forget your troubles and cares— if any—by snatching down to Convention Hall tonight to see the amateur boxing show. We'll guarantee these amateurs will make you forget everything else while they are out there in the resined ring, shooting punches at each other.

The followers of the track sport will have their day tomorrow when a triangular track and field meet will be held at the state fair ground track here. It will start at 3:30 o'clock in the afternoon.

The one week delay in starting the major league baseball races this season did not serve to do away with bad weather as it was hoped. Several teams, including the Yankees and Giants, both of New York City, have been fretting considerably about rainy weather.

No little discussion has been caused by the failure of Walter Hagen, captain of the United States Ryder cup team, to place Horton Smith, sensational Joplin, Mo., professional, on the foursome against British pros which started today at Montevideo, England.

Uncle Wilbert Robinson, rotund manager of the Brooklyn Robins, certainly is experiencing more than his share of bad breaks in baseball to date.

And to make matters worse Dazzy Vance, who affixed his signature to a contract which gave him \$25,000 and made him the highest paid pitcher in the national pastime, has not started off with all of the flashiness expected of him.

Any one trying to find at least one of the troubles with the professional fight game today should not have encountered much difficulty in solving the matter on a recent evening.

The Kid Chocolato won from Bushy Graham on a foul when any number of ticket holders complained noisily of not getting their seats.

Joe Dundee, after having been knocked out and beaten up before, lost again and is still welterweight champion. The more he is beaten the more he is champion.

Sammy Mandell, the lightweight champion, and his rival, Bobbie Campbell, who is a foul when any number of ticket holders complained noisily of not getting their seats.

This was all one evening's contribution. It shows to what extent the boxers and so-called fighters are putting the big smear on their own game. The public always gluttons for terrific punishment, may continue to pour out its cash to this tribe a while longer, but there must be a limit.

With so many promoters now in the field the boxers are dominating the game, giving back about three cents on the dollar, in the way of tugging, hauling, dancing, fouling, coming in over weight, wrestling, losing—everything but fighting.

Up and down the line the present outfit is probably the worst crop of real fighters in the history of the ring.

It isn't difficult to read the answer unless there can be some controlling authority to take over the whole situation and apply some form of disinfectant.

Naturally the boxer, being what he is, or what most of them are, is going to stick to the present program as long as it brings in the money without being forced to give anything in return.

It is merely a question as to how long they will let him get away with it.

A. A. U. TITLES ARE SETTLED

Two Cleveland Boys Spring Upsets in Winning Finals at Chicago.

Chicago, April 26. (P)—A pair of clever, hard punching amateur scrappers went back to Cleveland today with national junior A. A. U. titles, the fruits of upset victories scored last night.

Frankie Wallace, a stubby, two-fisted swinger, won the bantamweight championship from Glen Nute, Tulsa, Okla., who ranked as the favorite because of his success in the earlier rounds. His south-paw style, so effective against early round opponents, failed to bother the Clevelanders.

Schmid Brothers Loose. Henry Schmid, Grand Rapids, Mich., whose showing in the qualifying bouts stamped him as the favorite, was forced to bow to the skill and punching ability of Louis Dismant, Cleveland, in the 126-pound final.

Henry's brother, Carl finalist in the lightweight class, also returned home the victim of a harder puncher. He took a bad lacing from Tommy Rawson, Boston, and failed to finish the first round.

Paris Apelo, Providence, R. I., was the first boxer to win a title. The easterner was forced to go at top speed to tame Woodrow Williams, St. Louis in the flyweight title contest and gained his margin in the third round.

The crowd of about 10,000 persons yelled disapproval at the decision which gave George Bretsch, Pittsburg, the welterweight championship. Morrey Bowman, Grand Rapids, patted Bretsch all around the ring in the first two rounds, but was on the receiving end of a lot of punishment in the final session.

Outweighed by about 15 pounds, John Lee, Chicago, made a gallant stand against Karnoff Hansen, also of Chicago, in the 160 pound title engagement, but took a beating. He was virtually out on his feet when the going ended the fight.

The light heavyweight final was about the only uninteresting tussel of the evening. Harry Allen, Boston, managed to get in some hard socks with his right hand to win a decision over Victor Booker, Chicago Negro boxer.

Kayo Ends Card. The heavyweight final provided a knockout as the finishing touch of the tournament. John Schwuke, of St. Louis, with a big weight advantage, took several wallops from Joe Lillich, Worcester, Mass., before he laced him for a right swing in the first round. Lillich managed to arise, but was battered about until the middle of the third, when a right dropped him twice, the second time for the long count.

Winners of titles became eligible to enter the International Amateur Union Championship Tournament here, May 22, 23, 24 and 25.
