SMEBY WINS IN ONE-SET MEET

Beats Gustafson in Finals of Memorial Day Tennis Tourney.

Elmer Smemy, veteran Sioux City tennis player, took initial honors in the annual Memorial day tennis one-set meet at the Shore Acres Boat club courts Monday by defeating E. N. Gustafson, 6-0, in the final round.

Gustafson was unable to withstand Smemy's drives and placements, but the match was much closer than the score would indicate. Smemy is the present city singles champion and a past holder of the city doubles title with E. R. McCormick.

Here and There in Sports

Numerous baseball fans at Monday's game seemed to be under the impression that Umpire Murphy should be calling balls. Umpires do not call balls. They indicate with their right arm when a strike is called but make no movement when a ball is called. If the call is two and two or three and two they indicate it by raising both hands. So, in the future, when an umpire does not raise his right hand, remember that a ball has been called on the batsman. It's not very difficult, is it?

NEGRO TRACK ACE Shows What Real Appreciation Is

(Special Dispatch to The Journal) Cambridge, Mass., May 31.—This story came to light today as an aftermath of the I. C. A. A. A. jubilee track and field meet at Cambridge last Saturday.

Coed Cooke, the big negro runner of Syracuse, who captured the quarter-mile title from as fine a field of runners as ever finished in that event, is one of the figures of the story. Cooke had just left the rubbing table when the Syracuse manager brought him the gold medal emblematic of his victory. The negro gazed at it with pride, handed it around so that less fortunate athletes might look on it, and was about to place it in the pocket next to his heart when he stopped and pondered for a moment.

OMAHA TEAM IS EASY FOR YARDS

S. C. Club Makes Poor Start, but Rallies to Win, 15-7.

After it appeared that they were going to lose a baseball game through costly miscues in the early innings, the Sioux City Stock Yards boys hit their stride in the sixth and seventh innings and swamped the Burlington System nine at Stock Yards park by a score of 15 to 7. A crowd of 2,500 fans, many of them from Omaha, saw the game.

From a baseball standpoint the game left much to be desired, but from the excitement standpoint it could not have been better. Grover had little or nothing on the ball in the first four innings and the result was that the Burlington club was leading, 7 to 1, when the fifth inning rolled around. In that frame the first big explosion occurred.
