

McArthur to Meet Adler on Sioux Falls Card Tonight

BANTAMS WILL GO 10 ROUNDS

Harry Gibbons to Box Mike McDonough in Semi-Windup.

Sioux Falls, S. D., April 15.—Special: Harry Gibbons, Sioux City's slugging bantamweight, will give Sioux Falls fans their first chance to see him in action here when he battles with Dave Adler, Sioux Falls 118-pounder, in the 10-round main event of a boxing show here tomorrow night. It will be a hard punching fighter against a smart, speedy boxer, and opinion is divided on the outcome.

In his workouts here for the past two days McArthur has shown the fan that accounts for his punching power were not exaggerated. McArthur has done his sparring with Emil Morrow and the bigger man had plenty to do to keep from being treated pretty roughly. Morrow is a clever boxer, but the striker always landed numerous hard punches in their workouts.

Adler has displayed all kinds of speed and cleverness in his final workouts and his manager can see nothing but a victory for Dave. Adler does not believe he will knock out McArthur, but he does feel that he will pile up a big point margin. Dave carries a good wallop in his right hand and his left is a capable weapon for jabbing when an opponent starts crowding.

The semi-windup is attracting a great deal of attention because one of the principals will be Harry Gibbons, Sioux City middleweight. Young Gibbons is well known here because he made his first professional bout in this city, retiring from Jack Keith, his opponent tomorrow night will be Mike McDonough, of St. Paul.

A packed house is expected for the show, at least 300 Sioux City reservations having been made.

MANY NINES IN HUSKER STATE

Look for Active Baseball Season in Nebraska—No State Loop.

Omaha, Neb., April 15.—(A)—Despite the failure of the Nebraska State league to organize for the 1926 season, baseball enthusiasts in Nebraska are expecting one of the most active seasons in history.

Virtually every city and village in the state has organized or is planning to organize some sort of baseball team. Some of the cities have high school teams of exceptional power, others want the town's colors in various leagues, and some have established twilight leagues for the business men.

The familiar cry of "Play ball!" will have sounded many times before the official Western league opens on Nebraska soil, as many teams are playing league ball this week. The Western league will have its Nebraska opening on April 27, when Omaha clashes with Wichita and Lincoln with Oklahoma City.

Loop in North Platte. The North Platte Valley league is expecting its best season this year. Heretofore, the loop held but seven teams, but now Bridgeport has entered, bringing the membership to eight. Twenty-one games have been scheduled. The season will open on May 2. Other towns in the league are Neotoma, Yoder and Torrington, Wyo. Sunday and holiday games will be played.

The Blkhorh league has been enlarged with the entry of two Fremont teams this year. Fremont will be represented by the Fremont Merchants and the Hub Clothiers, both of which have already organized and have spent many hours hard practice. Other cities and towns in the circuit are North Bend, Hopedale, South Platte, and Blair. The season will open April 18. Attorney Head O'Hanlon, Blair, is president of the league.

The Howard County baseball league will get under way on April 26. Six towns comprise the league and all competition is anticipated. Cotesfield, Boelvis, Dannebrog, Elba, Farwell and St. Paul are members of this loop. J. J. Vogt, St. Paul, is president. Prospects are bright for the league, although its membership has been cut from 10 teams to 6. A 20-game schedule will be played.

Cluster County League. The Cluster county league has been organized, with four teams, Merna, Callaway, Ansel and Broken Bow. It is planned to limit the league to six or eight town affairs and invitations have been issued to Arnold, Council Bluffs, and Ames. C. A. Stapleton, of Broken Bow, is president of the league.

Throughout northern Nebraska the baseball gospel and jargon is running and buzzing. Several communities are organizing leagues among towns which have some excellent baseball talent. In Norfolk, fans are centering their attention to independent teams in lieu of the State league. Walter Steffen, physical director of the Norfolk public schools, is organizing baseball leagues among the high school boys and a large tourney will be held this summer.

Numerous other former State league cities are getting into the spirit of the twilight leagues. At York, efforts are being made to have three or four teams with three games a week. The Y. M. C. A. has organized a good junior league for boys under 16 years of age and a prize will be given the best all around player. In Fremont, the Twilight league is composed of six clubs and a season of 15 weeks, starting May 3, has been scheduled. Hastings, North Platte, Lincoln, Omaha, Grand Island, Beatrice, McCook, Falls City, Kearney, Columbus and others are pulsating with baseball plans—amateur, professional and bordering on the principle of the twilight league.

ILLINOIS BOXING SITUATION NOW IN GOVERNOR'S HANDS

Chicago, April 15.—(A)—With boxing brought back to the city, and a legalized sport by a three to one vote, the Chicago boxing situation is at present in the hands of Gov. Len Small, of Illinois.

BABE RUTH PAYS HIS BACK INCOME TAXES

Boston, April 15.—(A)—George Herman "Babe" Ruth, home run hitter, decided today not to wait out the Massachusetts tax commissioner. Although he had a week to do something about his back income taxes in this state, Ruth this morning turned in a check covering the claim for the years 1923 and 1924.

"Red" Grange Loses \$750. Chicago, April 15.—(A)—Harold "Red" Grange was thrown for a loss today when he settled with his former neighbor, Archie H. Schatz, for \$750. Schatz sued the football hero, on a claim that he signed a Grange's first manager tied up with C. C. Pyle.

FLOWERS SIGNED TO BOX WALKER

The billiard fans of the United States are soon to have another treat. Mlle. Lies Schrier, of Holland, professional woman billiard champion of Europe, is expected to start for America to exhibit her prowess.

European critics pronounce her the greatest of all women cueists. She has just engaged in a challenge match with Jean Fravert, professional champion of France, and the contest has drawn unusual interest. She led the French star in the first two innings, dispatches stated.

Mlle. Schrier's arrival would add another thrill to a billiard year already made interesting by the exchanges in the Balkan titles, the showing of Edouard Heremans, the Belgium champ, the comeback of Young Jake Schaefer and other happenings.

Those who feel that too much emphasis is being placed upon athletics by the college bodies these days may consider the achievements of Phil Barber, captain of the varsity track team of the University of California.

Barber has found time despite his athletic activities, which have made him a star of the track squad and a general all around athlete, to enter the honor class in his studies.

He is a medical student and his work in the laboratory has won him much attention. In a recent test Barber proved by his general knowledge of subjects under discussion that athletics and studies are apparently still on the proper level.

The photo shows Barber about to study the fine points of a bug in much the same way football critics try to uncover flaws in the rules of the game.

Will Meet Welter King in 15-Round Scrap in June.

New York, April 15.—(A)—Aspirations of Mickey Walker to become a double ring champion were revived today with the completion of negotiations by Tex Rickard for the welterweight title holder to fight Tiger Flowers, Georgia negro, in a 15-round bout for the middleweight crown at the Yankee stadium in June.

Approval of the match, which will mark Flowers' first defense of the middleweight championship he lifted from Harry Greb, less than two months ago, will be sought of the state commission tomorrow.

At the same time Rickard will renew his attempt to obtain official aid in signing Jack Delaney to box Paul Benjusch for lightweight honors on June 10.

Purdue Nine Wins. Columbus, O., April 14.—Purdue university's baseball team defeated Ohio State, 10 to 8, in a Western conference game here today. The contest was featured by free hitting and loose fielding.

Here and There in Sports

By Joe Ryan

If an opponent can be found for Homer Sheridan, he will be used in the feature bout of the first of a series of boxing shows to be staged in Madison, S. D., under the auspices of the Ellico. Dr. W. A. Matthews has been appointed matrefmaker and already has accepted Sheridan's terms.

Sheridan is working daily and expects to be in shape by May 15. Thursday he boxed two rounds with Eddie Morris and the boys moved at a fast pace. Sheridan apparently has lost none of his speed and he should have a number of good fights left in him. He is not yet 25 years of age and he doesn't smoke, chew or drink. His jaw, which was broken several years ago, has been pronounced as strong as ever.

Morris boxed seven rounds Thursday and worked three additional frames, shadow boxing and punching the light bag. In addition to his boxing with Sheridan he went three rounds with Johnny Burds and two with Sammy Rice. Morris has already signed to box Griffiths and has posted a cash forfeit of \$125 to insure appearance.

Griffith's manager says Buzz will sign as soon as he returns from Cedar Rapids.

The Phillies continue to chalk up victories, defeating the Braves Thursday for the third in a row. Mention was made in these notes Thursday of the hitting of Leach and Williams. Each of them made a homer Thursday. Williams' coming with the bases loaded. The White Sox also continued to show class. Blankenship pitching great ball when he had to and casting up in the closing innings. The Maeks finally chalked up a win over the Senators and it was much more impressive than either of the two Washington wins. Connie Mack showed a new pitcher named Pato who did quite a few remarkable things with the ball and the Senators were not in it.

Although Capt. Bob Fisher and Cory are out indefinitely with injuries, the Cardinal and Gold pitching staff is not expected to be greatly handicapped in the game with Upper Iowa. Fisher was injured in spring football scrimmage, and has not been out for the past week. Cory severely sprained an ankle sliding to third in practice and probably will be lost for the opening games.
