

Monarchs Victorious Over Wilson Club, 6 to 0

The Kansas City Monarchs won from the Wilson club at Association park yesterday, 6 to 0. Roy Sanders pitched four innings for the Wilson club, when he retired from game with the Monarchs two runs to the good. The feature of the game was a triple play by the Monarchs with runners on first and second. Mendex grabbed a line drive and by a quick throw Mothell to Washington, first and second basemen, completed the play.

Both clubs played a fast game in the field, but the Monarchs' hitting was too much for the Wilson club.

The Monarchs leave tonight for Beloit, Kas., for a series of games, and open their league season at St. Louis May 8, returning to Kansas City for the opening of their season here with the Indianapolis club May 29.

The fans will be sure of seeing some fast games here this summer when the Eastern clubs start their games here.
