

Visiting Team Won.

By a score of 7 to 11, the Garnett baseball team went down to defeat before the All-Nations team, at the local park, yesterday afternoon. The visiting team were all professional players, thoroughly trained, and have been playing since the opening of the season, while it was the Garnett team's first appearance on the diamond this year, and to a lack of practice they attribute their defeat.

Up to the sixth inning, the local team had failed to make first base, but in this inning, made one score; another in the eighth; rallied in the last half of the ninth, and drove in five. A feature of the playing was Bump's pitching. He was put into the box in the second inning to take the place of Koush, and proved a puzzle to the visitors. Lynch, Flynn and Milligan each landed on the ball for three bases.

Tom Flynn umpired the game, and J. L. Wassner was official scorer. The line-up of the Garnett team follows:

First base, catcher; Clooper, first base; Christopherlain, second base; Milligan, shortstop; Flynn, third base; Bump, pitcher; Stratton, center field; Bump, left field; Bump and Clooper, outfield.

The visiting team consisted of professional players, and played the game as well as the home team. The result was a convincing victory for the visiting team. Although the home team had a good crowd of spectators, they were not able to win the game.
