LAST EVENING.**

Two Thousand people saw the Minot regular team defeat the All Nations at Dorman's park last evening by a score of 8 to 1.

The Magicians clinched things for ~~fall~~ in the first inning when they scored seven runs. The All Nations made one score in the second inning, but that was all for after that they succeeded in getting nothing but ciphers.

Features of the game were a home run in the first by Spillane with the bases full off Jacobs, and another home run in the second by Rush, with no one on.

Spillane's pitching was superb and he should have had a shut-out to his credit. He was never in deep water, but kept the hits well scattered and at all times had his opponents at his mercy.

The All Nations used three pitchers, both Jones and Jacob being knocked off the rubber, but the home boys were finally stopped in the fifth round when Sowles took the mound.

Jap Jacobs who relieved Jones in the second appeared to have everything in the book, but just happened to be out-guessed by both Spillane in the first and Rush in the second, who straightened his benders for the round trip.

ODonaldson, the great pitcher of the All Nations worked in the center garden and was the comedy artist for the visitors, pulling off several stunts that kept the stands in excellent good humor.
