

**ALL NATIONS AT AMBROSE.**

One of the best exhibitions of the national game ever witnessed by local fans was played here last Saturday when the local aggregation defeated the All Nations with a score of 2 to 1. Errorless ball was played by both teams and at no time during the nine frames were either of the clubs sure of the game. Jap Jacobs, who won 19 out of 21 games for the University of Japan, occupied the mound for the visiting team and although he did very creditable work, our boys found him for 7 hits. Russell for the locals proved quite invincible and only permitted one hit, that by the far-famed Donaldson, whose name is familiar to all followers of baseball lore.
