

Monday's game was played in Britton with the All Nations. This game was but a repetition of the Sundays game. Twilight pitched his ordinary good game of ball, but this it seems was not good enough to hold the All Nation boys down. The home team did not hit as good against the All Nations second best pitcher as they did against Donaldson, and could only succeed in getting two men around. The All Nations tally sheet was a little bit more spotted, as the result of eleven scores.

Game played July 19, 1915 at Britton, SD
