

The ball game in the afternoon was
 the big attraction as both teams,
 the All Nations and the Chicago
 Colored Giants are about as fast
 players as are to be found in the
 Northwest. The crowd was not
 disappointed as they played fine
 ball. Not a score was made until
 the eighth inning. After this the
 All Nations made 5 tallies and the
 colored gentlemen none, the first
 time they were shut out this season.

Game played September 3, 1915 at Lake Wilson, MN
