

Friday evening the Great Donaldson went in the box for the All Nations, and the crowd saw some mighty nice twirling. The big smoke was seemingly just as effective as ever, and did just about as he pleased with the batters. He pitched four innings and was replaced by another pitcher. No scores were made while Donaldson was in the box, but Keiser found him for a three-bagger. Knaption pitched for Carrington, and did exceptionally good work. Zwiner caught.

Score by innings:

All Nations	2	0	0	0	0	0	0	1	1	4
Carrington	0	0	0	0	1	0	0	0	0	1

Game played June 30, 1916 at Carrington, ND
