

The All Nations had things pretty much their own way in the game with the locals Wednesday evening. The invincible Donaldson was in the box for the visitors and only four hits were collected off his delivery which netted no runs. Berg pitched for Grafton and although ~~nine scores were tallied by the visitors at least six of those were charge-~~able to errors. The All Nations are one of the fastest teams playing base ball and the game was witnessed by a large crowd.

Game played July 12, 1916 at Grafton, ND
