

Devils Lake, N. D., July 24.—The All-Nations and the Cando club met Sunday at Devils Lake, the All-Nations winning by a score of 3 to 2, in one of the fastest and most exciting games played in Devils Lake this summer.

The All-Nations started the game with a score when Mendez, the Cuban, who was the first man up, hit the ball over the center field for a home run. Cando tied the score in the fourth inning and took the lead with another run in the seventh inning.

Evans, the first man up for the All-Nations in the ninth inning, secured a single and was advanced to second on a sacrifice by Coleman, Evans then advanced to third, when Blainier, the Hawaiian, got to first on an error, Blainier then stole second and Donaldson, the next batter, was passed to first on four wide ones, which filled the bases, with Chief Crow, the Indian, next up; the first ball pitched the Indian hit for two bases, which gave the All-Nations the game, by a score of 2 to 3. Karnaghan was hit hard by the All-Nations, but the fast work of the Cando outfield kept the score down.

	R. H. E.
