

Minot, July 28.—Up against the best ball team they have been all year, the local club showed its real class and held the All-Nations to a tie score, 2 to 2, yesterday, and with the same kind of work on the bases that they displayed in the field the Magicians would have defeated the best independent ball team in the country.

An attempt was made to play the ninth inning, but after two were down for the visitors Day got a ball on his thumb, putting him out. The game was called on account of darkness.
