Manager Kirk and his crew of ball tossers returned last evening on No. 1 from Jamestown, playing their second exhibition match at that city last evening with the All Nation baseball team. The cavorters of all nationalities again trimmed the locals in the hard fought game by a 3 to 2 count.

The All Nations took the lead from the start and held it by one run throughout the entire game. Again in the last frame the locals nearly tied the score when Peacock hit a

hard one that looked like a certain safety, but one of the crack infielders of the opposing nine came to the front and knocked it down.

Taylor did the heaving for the Bismarck crew and pitched a consistent game. Peacock was again behind the bat and as usual played in stellar form.

Keenan twirled for the All Nations and Coleman acted at the receiving end of the battery.

The score by innings follows:

Bismarck—	.....	000	101	0—2
All Nations—	.....	010	101	0—3

Jamestown, N. D., Aug. 9.—Bismarck lost again to the All Nations in this city last night, 3 to 2 being the score. The first of the sixth looked bad for the All Nations, when the bases were full. Mendez replaced Kinen, and the next batsman went out. Score:

All Nations	.....	102	000	—3	8 1
