

ARTESIAN 5, ALL NATIONS 3

Yesterday Artesian went to Cherokee, Ia., and played the All Nations another game, taking them over 5 to 3. They play there again today, at Sioux Falls Friday and at Watertown Saturday and Sunday. After that date the crack Artesian ball team will disband, and we can state right here that it has afforded considerable amusement for a great many people and has been quite successful financially.

Game played August 23, 1916 at Cherokee, IA
