

Simpson Defeated All Nations

The ball game Wednesday afternoon was about as good an exhibition of the national game as has been witnessed in Clifton for a long time. There were plenty of hits, and many close plays, especially on the bases. The fielding of both teams was good and many sensational catches were made.

crowd by his posing and fancy stepping on the field.

The score was 4-3 in favor of Simpson and the crowd numbered about 300, with gate receipts of nearly \$150.
