

The Schmelzer All-Nations of Kansas City yesterday turned the tables on the Simpson, Kansas club by trimming the Simpsonites in the second and closing game of the two teams' series in Salina, by a score of 12 to 1. John Donaldson, negro hurler, was on the mound for the All-Nations. He allowed but six hits and struck out 12 men. Mike Flannigan, Simpson pitcher was hit freely at all times and his support wasn't of the best.

Besides the pitching of Donaldson the feature of the game was the hitting of Torrientas, the All-Nations' Cuban outfielder, Torrientas, in five trips to the plate, hit a home run, a triple, a double and a single. The Cuban's triple was easily good for second base on rounding the turn and was forced to go back to the bag before continuing his journey about the paths.

The batteries: Simpson Flannigan and Rigby. All-Nations—Donaldson and Coleman. Umpire—Quigley.
