

MENDEZ TO LEAD THE MONARCHS.**Kansas City Negro Club Is Training
for League's Start.**

The Kansas City Monarchs have decided on Jose Mendez as leader for the club this season. Mendez was with the All Nations for eight years touring the United States and has played winter ball in the Cuba League every season for a good many years. The club has been working out here for some time with the exception of a few of the regulars who are expected to arrive today.

The Monarchs will play the Davis Cleaners Sunday at Billion Bubble Park on the Kansas Side. Donaldson and Crawford likely will do the pitching for

the Monarchs and "Lefty" Songers and Barton for the cleaners.
