

DOUBLE-HEADER at the Omaha ball park Sunday, and a whirlwind it should prove—the famous colored All-Nations team, of Kansas City, against the rehabilitated Murphy-Did-Its, one of the smartest semi-pro teams in the country.

The great Donaldson will open the dual clash for the Missouri cotton pickers, and when it is realized that he is the wonder of all the negro hurlers in the country, the fans can see what is in store for them. Donaldson is the Sam Langford of the game, and years ago 'out-pitched' Walter Johnson by a score of 1 to 0.

Besides Donaldson, Mendez, the wonderful Cubanola, will be on third, while six other fast ones, from last year's Monarchs, runners-up for the colored championship, will be in the All-Nations line-up.

St. Louis finished fourth in the 1920 Colored league race, and in a post season game, the All-Nations made monkeys of them, and at that they beat the Cardinals in an exhibition game. This is guaranty enough to convince the fans that they are going to see some classy ball.

Andy Graves, the old war horse of a thousand battles, will oppose Donaldson on the bill, and take it from we 'uns, Andy is one of the marvels. Last year, it will be recalled, he shut the All-Nations out, no hit, no run, and with Harry Williams behind him Sunday, he says he's going to repeat.

MURPHY-DID-ITS TAKE TWO FROM ALL-NATIONS

Locals Open Season by Wal-
loping Famous Club at
Burch Rods' Park.

GRAVES GOES STRONG

The Murphy-Did-It baseball club opened the season at the Burch Rods' park yesterday afternoon by taking two games from the All-Nations. The first game was 3 to 1, and the second, 5 to 2. Andy Graves had the visitors swinging wild at his offerings in the initial workout, and al-

lowed them but five safe hits: Mad-
den gave them six hits in the sec-
ond game.

In the first game, Al Graves' sin-
gle in the first inning, followed by
Payne's infield out and Harry Wil-
liams' line drive to right for a single,
scored the Murphys' first tally.

The All-Nations scored in the sec-
ond. It was all the scoring the vis-
itors could do. Graves only allowed
three scattered hits after that inning.

Put It on Ice.

In the fourth the Murphys put the
game in the refrigerator when Harry
Williams beat out a bunt to open the
inning. Vandiver sacrificed, and
Mirasky singled through short. C.
Osborne dropped his brother's throw
to catch Williams going to third, and
when the ball rolled on to the grand-
stand, Williams crossed the plate.
Corcoran laced a single down the
third-base line, scoring Jimmy Mir-
asky.

Williams was the heavy hitter, with three hits in four times at bat.

In the second game Madden had the visitors bending themselves dizzy over his offerings for four innings—no hits, no runs in the first four frames. The great "Smoky" John Donaldson, negro hurler, fanned out the first three men to face him, and seven more during the following six innings, but in the second frame Pete Lyck rapped one of the Smoke's fast ones for a single to right center. That started the scoring. Vandiver's infield out advanced Lyck, and when A. Osborne booted Mirasky's roller, Lyck took third, Mirasky being safe at first. Both scored on Echtermeyer's double to right.

The Murphys scored again in the third. Dygert, fanned to open the inning, Al Graves walked, Durkee popped out to Blattner, Lyck lined a single into center, and both Graves

and Lyck scored on Vandiver's single through second. Mirasky fanned.

Again in Fourth.

The Murphy's scored again in the fourth. Corcoran was safe at first when Luscombe dropped his third strike. Corcoran went to second on a passed ball, to third on Echtermeyer's infield out, and scored on a folder's choice. Dygert flied out to center. Al Graves bunted safely, but was caught stealing. That was all the Murphys' scoring.

The Murphys play the Green Goblins next Saturday and Sunday afternoons.
