

Tractors Make Clean Sweep of Five Close Holiday Games

*Beat Racine With Homer;
Bill Features With Bat;
Set New Baseball Record*

Four different ball teams made the acquaintance of the Janesville Tractors over the Fourth of July week-end holiday and vouched at the parting that they had met a slugging, steady-playing crew of ball players. The Tractors made a clean sweep of all who came in their way. Here's the way they did it:

Janesville, 8;	Monarchs, 4
Janesville, 4;	Racine, 3
Janesville, 7;	Edgerton, 4
Janesville, 7;	Stoughton, 5
Janesville, 7;	Stoughton, 6

Saturday's Game

Ever hear of the Kansas City Blues? They descended upon the visiting Monarchs here Saturday afternoon and after the Tractors had knocked Pitcher Bell off his

throne, causing him to ring for help, the colored lads lost all heart and slopped over for the balance of the contest. Janesville took the honors, 8 to 4.

For five innings, it was anybody's battle with the Kaysces not only holding the edge but having a two run lead on the locals. Then something happened. First baseman "Bud" of the locals made Mistah Bell croak while he lifted a Texas leagner back of second which Brokaw followed immediately with a single with a third. "Hank" Brackett then pulled a neat bunt and was safe himself on the sacrifice, when Bell was too slow.

Four Tallies Scored.

Right here is where the gong began ringing. With none down, "Daddy" Ferring shot a bingle through second, scoring Croak and again filling the sacks. Both Brackett and Ferring scored on Schwind's liner through third. Holland sacrificed and Shook was safe when the centerfielder muffed a fly. Note,

the bags were again filled and there was none out.

Just about this time, a lanky negro going under the name of Crawford emerged from the bench and motioned Bell to the lockers. Crawford, who had been cavorting around the third base coacher's box to the great amusement of the crowd, went to left and McNair came in to mount the hill. Right off, Crawford started something when he commenced a double play that caught Schwind at home and Smithson at first. The inning was done when Breckenridge flied out.

Three More in Seventh.

But the worm had turned. The Tractors added three in the seventh on a single, a force, two singles, an error and a passed ball. Perring's single went good for three bases when the centerfielder muffed it up.

The big inning for the visitors came in the third when three singles, a hit batsman and an error was recorded. A hot liner off Porturando's bat caromed off the tips of Croak's glove to bring in the scores.

SATURDAY'S GAME.

Kansas City.
