
STORZ PREPARING FOR A GREAT GAME TODAY

Manager Bradford Gets New Twirler, Del Alderman, Former Pro- fessional.

The Storz Triumphs and the All-Nations of Des Moines will clash at Rourke park, this afternoon, providing the weather permits. Last season, when these two aggregations met, the Brewers won both games.

The game will start at 3 o'clock. Manager Bradford has added another twirler to his staff.

Del Alderman, the south-paw, formerly with the Sioux City and Wichita teams of the Western league, who retired from the professional ranks to look after his business interests at Lyons, Neb., has now joined the forces of the Arthur

Storz Auto Supply Co., and will play Saturday and Sunday ball with the Storz Triumphs.

Alderman will work in one of the games with the All-Nations at Rourke park, Saturday and Sunday, and is to be pitted against either "Broom" Donaldson, the elongated negro, who with his terrific "smoke" and dazzling shoots, struck out eighteen of the Triumphs last season, or Mendez the Cuban star, who earned a national reputation by shutting out the Philadelphia Athletics by a 1 to 0 score in Cuba.
