

Kansas City, Mo., Sunday, July 24
 —Ten thousand fans saw the Detroit Stars go down to defeat today at the hands of the fast going Monarchs in one of the most exciting games seen on the local grounds this season. Holland, the crack pitcher of the Detroit Stars, held the locals runless until the sixth inning, when the Monarchs scored their first two runs. The Stars were the first to score, putting two across in the third inning. Logan was a little unsteady at the beginning, but settled down after the third, holding the visitors safe thereafter.
