

FIRST GAME TO MONTICELLO

Major Foster's Chicago Club Defeated
In a Free Hitting Game, 12 to 0.

The Monticello took another step toward first place in the National Sports League by defeating the Chicago American Club in the first game of the series at Monticello yesterday.

It was a free hitting game throughout, and the home club's defense was very flimsy.

Center-field started against the Chicagoans, and was replaced by Turner in the third inning. Turner batted until the ninth inning when Bushong was called in from center field to finish the game.

The visitors started off in the best manner a pair of runs in the first inning, but the Monticello defense held them from the second, when Carr hit a home run with two on.

The second game will be played today (Friday), when will the Monticello by one day lead in the series. The game in Chicago will pitch for the Monticello today. McGinnis will be the Monticello pitcher.
