

All Nations vs. Alton

The All Nations Base Ball Club, considered the fastest "traveling" ball club, in the country, met their "Waterloo" when they crossed bats with the All Alton team, Tuesday afternoon, on the Alton grounds, by the score of 7 to 6. The Alton sluggers, were true to form, and hit when men were on bases, while Helen, Alton's pitching ACE, held the visitors in check. Alton's hitters made 12 safe hits, including one triple and three doubles, while the All Nations, made six hits, including one two base hit. Two errors in the ninth frame, a base on balls, and two singles by the visitors almost took the joy out of life, and it seemed as tho, Alton was to lose the game. "they had on ice," for three runs crossed the plate, and the score stood Alton 7, All Nations 6. but

Game played July 11, 1922 at Alton, IA
