

Bertha vs. Pelican Rapids

This game was classic ball with the Wonder Dumfee on the mound for Pelican and Donaldson for Bertha.

Dumfee out pitched Donaldson and our team out hit the strong Bertha Club wielders. Strike outs by Dumfee, 10; and by Donaldson, 6. Pelican scored 6 hits and Bertha 4.

Donaldson won the game for Bertha by hitting a homer which was the only run made during the game.

Pelican succeeded in having men on third base four different times and our boys were not successful in producing a hit at the critical time.

It is regretted that the ball park was not filled to overflowing this day as both teams played wonderful ball. U. C. T. Boys remarked that this game was as good as they had seen anywhere in the state of Minnesota.

Bertha's manager remarked that our supporters should be proud of our team as this game was the hardest fought game Bertha had played since the Wonderful Donaldson had been on his team.

Pitcher Dumfee at present is playing with Lamberton and has not lost a game for them so far this season. It is hoped that before the season is over that these two teams may be able to play this game over again with the same men twirling and that all of the Pelican supporters may be able to turn out at the game.

Game played June 5, 1925 at Detroit, MN.
