

## Warren 5; All Nations 0

After suffering defeat two times in succession at the hands of the All Nations bunch, Warren came back in the third game of the series Monday evening and shut out the famous wandering club by a score of 5 to 0. Each Warren man was in good condition and played first class ball thru out the entire eight inings.

The rain, which fell during the afternoon prevented them from playing at that time and though the diamond was heavy the game was pulled off in the evening.

Foster twirled for Waren and was in splendid shape, securing 13 strikeouts from the visitors. Wingfield was back in his old position behind the bat and caught an excellent game.

Terino heaving and Coleman receiving, composed the battery for Schmelzer's gang.

Though Warren threatened the home bag several times no score was chalked up until the fifth frame, when Terion walked Wolfe, Morarity sacrificed. Gorman hit and reached first on Hernandez' error, and stole second. Foster was hit by a pitched ball. Wingfield swatted the sphere for a clean single and brot in Wolfe

and Gorman. Cline struck out. Walker hit a liner to short and was nabed at first.

In the seventh which is Warren's lucky inning Waren tallied three times. Morarity was made a victim by Terina. Gorman flied to second. Foster singled and was followed by a blow of the same proportion by

Wingfield. Cline stepped up to bat and met the sphere square, sending it way into deep center, which enabled him to take three bags. Walker hit and brot in Cline. Halbert fled to right field.
