

BECKWITH'S HOME RUN DIDN'T WIN AGAINST MENDEZ

Kansas City, May 1.—The Monarchs handed Kube Foster's men another beating today. Kenyon lost to Gassentanter. The Monarchs got 15 hits to Chicago's 9.

Kansas City, Monday.—Just what Professor Mendez had on the ball today those in the stands couldn't tell, but one thing that was a certainty, the Giants went down to defeat the second time and the home town folks saw the Monarchs win, 7 to 3, and Mendez stage a comeback.

The only redeeming feature of the game was

Beckwith's homer into the bleacher stands in the second. Harney was driven to the showers and Luther fared little better. Rile went to the rescue for the third time in three days. Beckwith slammed one to the fence and John Donaldson snatched it for an out just before it hit the screen.

Torrienti was sent out of the game and off the playing field in the third when he objected to a decision at second by Umpire Gholston. Torrienti used some "awful" language and then threw a handful of dirt on the ump's newly creased trousers. The fans booed his actions.

Donaldson got two doubles and Duncan got two singles and one double. A good sized crowd for Monday was out. The temperature hovered around 80 at 2 o'clock. Two more games and the Giants return home. St. Louis will be here for five games starting Saturday. The score:
