

**RAIN PREVENTED GAME HERE.**

**The Monarchs and Detroit Stars Will  
Resume Series Today.**

Rain prevented the fourth game of the series between the Kansas City Monarchs and the Detroit Stars at Association Park yesterday. The Mendez crew is now one game behind the Detroit club, which is resting in second place in the negro national league. Two games remain to be played during the present series. Today will be ladies' day. "Rube" Currie or Wilbur Rogan will do the flinging for the Monarchs, while Gatewood, the hurling ace of the Detroit club, will be on the mound for the visitors.
