

# MONARCHS DEFEATED DETROIT

## A Triple Play Featured Kansas City Club's 4 to 2 Victory.

A triple play by Moore and Carr and a scorching circuit clout over the right field wall by John Donaldson furnished the fans plenty of excitement in the fourth game of the series between the Kansas City Monarchs and the Detroit Stars at Association park yesterday. The Monarchs crew took ing away a 4 to 2 victory, which ties them with the visitors for second place.

Aside from the first and last innings, Sam Crawford, who was doing the pitching for the Monarchs, had the Detroit aggregation at his mercy. In the opening round the visitors clouted Sam's offerings for a run, but the Monarchs came back in their half and tied the count. Timely hitting added a pair of runs to the Monarchs total in the second and third, while the game was clinched in the seventh, when a trio of base knocks netted the locals another run.

The Stars made a desperate effort to come from behind in a ninth inning rally, but lacked the punch to produce enough runs, a pair of blows resulting in a lone tally. In the final game of the series this afternoon, Wilbur Hegan likely will oppose Gatwood on the mound. The score:
