

FINAL GAME TO MONARCHS.

Itain Failed to Save Detroit Stars in a 5 to 4 Contest.

The Monarchs made it three out of five from the Detroit Stars, bagging the final game of the series at Association Park yesterday, 5 to 4.

With the score tied 4 to 4 in the last half of the eighth, Gatewood, the Detroit hurler, attempted to delay the game as a rain storm was rapidly approaching. Had the game been called in the eighth, it would have meant victory for the visitors, but with the bases loaded Umpire Hoe forfeited a base on balls to Rodriguez, which forced in the winning run. Following a dispute the game was called.

Currie, who was on the mound for the Monarchs, let the Stars down with half a dozen scattered blows.

John Donaldson probably will host the opener against the 'Tramways in the inter-city series which will be played at Tramway Park Sunday and Monday, while "Rockets" Alexander is slated to oppose him. A double header is billed for each day, the initial tilt to be between local semi-pro clubs. The score:
