

MONARCHS WIN

Defeat Cuban Stars in Season's First Series

Kansas City, Mo., June 18.—The following will show the manner in which the Monarchs won the series from the Cuban Stars last week:

With Crawford pitching in superb form, the Monarchs easily defeated the Cuban Stars in the opening game of the series at Association park, 7 to 3.

Herendez, who took the firing line for the visitors, was hammered hard in the second inning, the locals piling up five runs, which were enough to clinch victory. After the fateful second, Herendez settled down and kept the Monarch's blows well scattered up until the sixth, when a pair of base knocks netted the locals another run. Three more healthy clouts in the eighth added another run to the Monarch's total.

Crawford weakened temporarily in the third round and allowed the Cu-

... .. showed the Cu-
bans to register a brace of counters,
but he pulled himself together after
this and was never in danger. Costly
boots by Washington and Portuada en-
abled the visitors to add another tally
in the ninth. Donaldson likely will do
the heaving for the Monarchs this af-
ternoon, while Lopez will take the ele-
vation for the Cubans.
